A photograph of a person lying on a bed, with a text box in the upper right corner and a stylized title in the center. The person is lying on their side, and their legs are spread apart. A tattoo is visible on the person's left thigh. The background shows a bed with a grey pillow and a black metal frame. The text box is light blue with a thin border. The title is in a blue, cursive font with a white outline.

# Hermosa Barista

*I am a writer – for a local podcast here in Miami and I’ve read some of your reader’s letters. While I found most of them to be highly unlikely, what happened to me last month has changed my mind. I’d like to share that experience: *the beautiful barista*.*

Isabella is the owner of Miami’s Most, my favorite coffee shop. Probably in her mid-thirties, she was about ten years my senior. Someone once told me a tragic story about how she lost her husband and children in a bad car accident a few years back, and how she’d opened the café a year later with the insurance money. I’d been frequenting Miami’s Most for a while now. I liked the quiet, mellow atmosphere, and it was easy for me to write my column there. The words just seemed to flow. I had never really spoken much with Isabella – or the other baristas for that matter – other than register banter and the occasional passing smile when, per chance, our eyes would meet. Little did I know that tonight would change all that.

I was working late in the coffee shop, an early morning deadline looming over my head. Outside, rain was coming down in torrents and the café had been pretty dead all evening. Beside Isabella, the only other people in the café were a couple who seemed to be very much in that stage of a relationship where they couldn’t get enough of each other. Giggling, flirty, and affectionate, I just knew they couldn’t wait to finish their lattes and head home to bed to take their games to the next level. The guy

even kept attempting to pull down the girl’s top as she playfully blocked his advances. Soon I noticed the couple putting their cups in the bus tub and heading for the door. Isabella came around the counter and began wiping down the tables in preparation for closing. I glanced at my watch – 30 more minutes until close – and kept on writing. All of a sudden I heard Isabella exclaim, “Oh shit!” I looked up to see that she had absent-mindedly knocked over the remains of an iced drink on the table directly in front of me.

As she bent over to wipe up the spilled coffee my eyes drifted to the dip in her tank top that proudly displayed her ample cleavage, her breasts bobbing as her hand circularly ca-

ressed the coffee and ice from the table. I could tell she was embarrassed as she muttered apologies to me as she cleaned, but I was too mesmerized by her swaying boobs to care. Totally distracted from my work now and enjoying the show, my cock sprang to attention. Unexpectedly, she looked up at me, totally catching me off guard. It was obvious that her boobs had become the focus of my attention. Now it was my turn to be embarrassed. I expected her to chastise me for staring rudely, but her frown quickly turned to a smile and she said, "Enjoying the show?"

"I'm sorry for staring but your cleavage is amazing," I replied, still feeling caught in the act and not wanting to lie about it.

"Thanks. It's nice that you find my breasts attractive. It's been a while since I've had that kind of attention," said Isabella as she put the towel and pulled up a chair at my table.

Not at all the response I was expecting... "Phew," I said, "I'm

glad you're not angry."

At this point her Isabella's nipples were threatening to rip through the fabric of her tank, making my already hard cock throb with desire. Isabella flipped her hair out of her face and glanced down at her boobs. "Can you believe that couple that was in here a little while ago? I thought I might have to clean up more than just lattes and crumbs tonight. I bet they're fucking their brains out right now. Watching them got me turned on, and watching you ogle me is adding fuel to the fire."

Feeling emboldened now, I wanted to see where this might lead. Worst case scenario, I might have to find another coffee shop to do my work at. Deciding to lay all my cards on the table, I slid

my chair back, exposing my massive erection. "You're not the only one who's turned on," I said. Isabella's eyes lit up as they dropped to my crotch. Without saying a word she pulled her chair closer to me, leaned over, and began lustily rubbing my cock through my jeans. I responded by reaching a hand into the top of her shirt, underneath her bra, and cupping one of her breasts, feeling the weight of it against my palm as her hard nipple pressed into my flesh. Then Isabella unzipped my fly and pulled my cock out into the dim light of the café.

"Nice. Real nice," she said as she began stroking me in earnest. I switched hands and gave her other boob some deserved attention, encircling her areola and pinching her nipple. Isabella leaned over further and brushed her lips against the tip of my cock before giving it a kiss. Then she hopped up and ran over to the door, locking it. "Looks like I'm closing a little early tonight," she said, shutting one of the blinds. I hopped up and helped her with the rest. As Isabella flipped the store's "Open" sign to "Closed", I walked up behind her and ran my hands underneath her shirt, up her back, and around to her boobs, kneading them passionately. I kissed the back of neck, occasionally running my wet tongue around to ears. Isabella cooed. Her hand reached behind, grabbed my cock, and continued jerking me off.

I pulled Isabella's shirt up over her head and undid her bra. As the bra fell away Isabella turned around to face me. Her tits were a glorious sight to behold, full, round, and firm. As Isabella's hand found my cock again, I took one of her pleasure jugs into my mouth. I ran my tongue around and around her nipple, saturating her areola and boob in my saliva. Then I took as much of her boob into my mouth as I could before popping it out and applying the same treatment to the other, all the while Isabella's hand moving quickly up and down my shaft. I could hardly contain myself, eagerly anticipating blowing my load all over her.

Isabella smiled at me and said, "I'm hungry. Let's see what's on the menu. I bet it's a meat dish." She dropped to her knees and took my cock into her warm, moist mouth. Groaning, I pulled off my shirt. Hot damn, could Isabella suck a mean dick! You'd never know it just looking at her. I could barely stand anymore, so I sat down in a chair and moaned some more as Isabella's skilled tongue darted around my balls and shaft. Then Isabella slurped on my balls, her hand taking over where her mouth left off on my cock.

The urge to cum was building rapidly, and when I told Isabella this, it clearly excited her. "Not yet," she said and stood up, undid her pants, and shimmied out of her pants and panties together. In anticipation I quickly pulled of my pants down sat back down. Isabella straddled me and lowered her pussy onto my waiting cock, moaning as she did. Her pussy must have been super wet because my cock instantly buried itself to the hilt. She began working my cock up and down with her hot twat, and I leaned forward and buried my face in those fat titties of hers. I was in heaven.

"I haven't had my pussy stuffed like this in a long time," she said between pants, tossing her head back and gyrating her hips. I grabbed her around the waist and helped pump her up and down, thrusting up to meet her and each time burying my cock as deep inside her as I could. "You gonna cum soon?" Isabella asked.

"I think so," I said excitedly.

"Not if I can help it," she said, flashing an evil grin as hopped off my cock. I groaned, wanting nothing more than to blow my load up inside her sweet pussy. Isabella lay down on the ground, spread her pussy lips with her fingers, and said, "I think there's something on the menu for you too. Hope you're not a vegetarian." Between her directness and watching her spread those luscious lips, I was even more turned on, if that was even possible. I got off my chair and made a nose dive for her wet, waiting pussy, immediately plunging my tongue inside. Man, did she taste great!

Eagerly I licked my way around her pussy, paying her clit special attention. I flicked my tongue over it in short, rapid strokes, and then I stuffed a couple fingers in her pussy simultaneously. Isabella had been moaning before, but now she seemed on the verge of screaming explosively. Her hips bucked and bucked, grinding into my mouth and fingers with wild abandon. "I'm cumming!" she shouted as I felt a rush of her cum overflow my fingers. I pumped her pussy a couple more times and then grinned at her as I licked her cum off my fingers. Isabella lay there for a just moment, regaining a semblance of "composure."

"Now it's your turn," she said, pushing me onto my back and taking my cock back into her mouth.

At this point a bomb could have dropped right outside and I wouldn't have cared. I was having one of the best nights of

my life, my fantasy finally coming true. Isabella's expert tongue and supple hand had me gushing torrents of jizz in her mouth in a matter of minutes. She swallowed every last drop, milking me completely dry. Afterward we lay together on the floor until my cock grew hard again and we went for round 2. And round 3. And 4! The next morning I had to ask for an extension from my producer as I was in no shape to finish my work that night. A couple days later I arrived at the coffee shop, hoping to see Isabella behind the counter and maybe score a quicky

in her office. However, one of the head baristas, Clarissa, was tending shop. Disappointed, I approached the register to order. Clarissa made eye contact, snickered, and started writing on a piece of scrap paper. "Nice performance," she said, cutting me off as I asked for a mocha.

"What?" I stammered, not knowing what she meant but mind flooding with possibilities.

"The next time you fuck the shit out of Isabella in the shop here, you might want to turn off the security cameras or at least the DVR," she said, sliding the piece of scrap paper toward me. I looked down at the paper. On it was Clarissa's name (with a skull and bones dotting the eye), a phone number, and the words, "For a better time, call me... SERIOUSLY."

"Don't worry – you can still fuck Isabella too. I'm not looking for anything serious," she said.

"Works for me," I said. I sat down at a table to wait for my mocha, my mind drifting off into a tapestry of erotica imagery involving Isabella and Clarissa. A shit-eating grin made its way across my face. Clearly this was the BEST coffee shop, not only in Mianmi. but the whole wide world!

## Mercedes Ashley

For years I worked out, especially my butt. Now I have it in great shape (I hope you'll agree), and I enjoy showing it off along with my big boobies. I think the best shots I did were after hours at a great downtown bar. They cleared the place just for me and my photographer. I brought a HUGE purple dick and fucked myself.

## LETTERS FROM OUR READERS

*Letters that should or shouldn't have been written, but you sent them to us anyway!*

### DAILY DICKING

#### *Is Sex Every Day Good for You?*

Seattle dockworker Joe K. is a horny young dude who boasts that he has sex "20 times a week." He claims to approach sex with the same gusto he does pretty much everything else in life.

Joe has a huge sex drive which he attributes to the fact that he doesn't believe in worrying. He gets plenty of exercise, and the type of work he does keeps him in tiptop shape. Yet recently Joe went to see his doctor at the urging of his wife, and for once he was really worried. The reason: his wife had convinced him that his tremendous sex drive now would cut short his sexual longevity; that he'd run out of energy.

It's not true that a guy can "run out" of sexual energy. Joe's doctor may have told him that, after he got over the shock of Joe's admission that he had sex with his wife as often as 20 times a week, even when she had her period. The doctor examined Joe and found him to be in excellent condition. He explained to him that he was simply a healthy, lusty, uninhibited 26-year-old man at the peak of his sexual prowess. Of course, Joe's "average" may seem way out of the range of the average guy. But it wasn't doing any harm.

The question of how much sex is too much can sometimes worry a lot of young and virile men who are anxious about preserving their potency and sexual health indefinitely. Obviously, no man wants his capacity to enjoy sex to slip from his grasp too early in life, because of what he fears might be overindulgence. No future husband relishes the prospect of becoming a sexual has-been because of his lust in youth and early

manhood.

Why, then, don't more men just ask a doctor how much sex is too much?

Ironically, the real reason is that guys can talk all day and night about sex, women, making out and their performances in and out of bed, yet they are not always able to discuss their own intimate sexual problems with complete honesty. When a dude talks about his sex life, his masculine pride and fears of sexual inadequacy can sometimes put up a painful mental block. Fears about sexual vitality seem to be much stronger in young guys than their female counterparts.

Experimentation doesn't help the guy who is worried about frequency and its alleged consequences, either. The moment he does experiment and starts approaching what he imagines must be a maximum, he begins to worry and his enjoyment of sex can be seriously impaired by his fear of possible consequences, which in turn can produce a feeling of deep depression about his sex life. According to a former teaching psychologist at the University of Pennsylvania, at such times of deep gloom a man is "more likely to take to drugs or drink than make the effort of dating a sexually stimulating female. It is a vicious cycle."

If a man wants to find out how much sex is too much, he must first realize that no general rule applies to every guy. Every individual is different insofar as his capacity for sex is concerned. In this respect, our

forefathers goofed when they fostered the notion that "all men are created equal." Men's sex drives and performances vary widely.

In one case, Bill S. was a typical example of those young guys whose sex problems worry them too much. Bill was in good physical shape but mentally fogged because he was married to a girl several years younger than himself.

"It's driving me crazy," he told his therapist, "worrying about fucking so frequently. My wife is younger than I am and is hot as hell. I find I want to bang her morning, noon and night but I feel I just have to keep myself in check. I take cold showers, make excuses to leave the house for a while, walk off the feeling or even jerk off. Using this technique—and it sure ain't easy—I've managed to cut down to four or five times a week."

BLAIR-NTS-10

"Why?" asked the therapist.

Bill looked at him in surprise. "Why? Jesus, I don't want to use myself up, burn myself out now and run stale while she's still young. I figure I've got maybe 15 or 18 good years left if I take things easy."

According to therapist, Bill was letting himself in for real trouble. In his own mind he was taking a sensible, thoughtful approach to the problems of what he actually considered to be a kind of a May to December relationship. He wanted the assurance that by achieving partial abstinence he would prolong his ability to perform in the future. What he was actually revealing was an obsessive fear of waning manhood. When such a fear comes into the picture, anything can happen.

The necessity to abstain from sex with his wife was unfounded. His notion that he was harboring a fear against future use was totally unfounded. Whether a man fucks once a week or ten times a week, he is going to reach the end of his sexual capacity on the same date. Each man has his own sex span, just as he has his own life span.

In his book entitled *Sexual Behavior and the American Male*, Dr. Alfred Kinsey reported statistics from a study of the sex habits of more than 15,000 men. He found that the fear of impotence was a greater problem than impotence itself: only 0.1 percent of men around the age of 25 were impotent; 61.2 percent of those aged 55 and 27 percent of the men aged 70 had become impotent.

By definition, impotence means the inability to get a hard-on and reach orgasm through sexual intercourse. This suggests 93.5 percent of the 55-year-old men in Kinsey's study were capable of having as much sex as they did at age 20, and that the majority of them would continue to be potent well past 70.

The fear of impotence, Kinsey found, produced a lot of casualties. This is the point the UPenn profes-

sor was making when he said that Bill was heading for trouble. He was thinking too much about the difference between his wife and himself and fearing the day of reckoning, which might not actually occur until he was 100 years old (if he lived that long). Dwelling on it as he did, he became emotionally upset and suffered from chronic fatigue. This produced a sexual maladjustment that could be confused with impotence.

It took quite a lot of convincing on the professor's part to persuade Bill that he could indulge in sex to his heart's content—assuming his wife was into it. He was in fine physical shape, and since good health is essential to a vigorous sex life, the professor had no qualms about his advice. A man in top shape can bounce back from each sexual experience astonishingly fast, and for him there is no danger in what would seem to be "extremes" of sexual activity.

Kinsey stressed that what might seem to be sexual excess to one man seems much less than normal activity to another. "It is a common pattern," he wrote, "for many persons to engage in intercourse every night or practically every night; and there are many married persons who have intercourse quite regularly, both in the evening when retiring and in the morning upon awakening. Where the occupation allows the male spouse to return home at noon, contacts may also occur at that hour of the day and consequently, there is a regular outlet of 14 to 21 times per week..."

Dr. Kinsey mentioned that among his interviewees was a 39-year-old man who had averaged more than three ejaculations a day since he

was 13 and who, at 39, was still capable of six to eight ejaculations a day. Kinsey's studies also disclose the case of a practicing lawyer who had engaged in sex 30 times a week for 30 years and was not troubled by any of the problems.

This is not as unusual as it seems when we consider other cases of male sexual energy. Throughout history, many men possessed an insatiable sex drive which today would undoubtedly send them to seek counseling. Nero, Tiberius and Caligula—all Roman emperors—were capable of deflowering a hundred nubile young nymphs in a few days, or so the story goes. The mythological hero Hercules took on the task of fertilizing 50 maidens in one night.

Today such obvious exaggerations are scoffed at, yet the fact remains that a strong sex drive is still part and parcel of the average male. It is a perfectly healthy urge, and any woman who respects her man and considers herself a modern woman ought to be doing anything to satisfy it.

What has she got to lose? And why should he hold back?

*Vanessa & Sasha*

Everyone has gone home except Vanessa, Sasha and a photographer. The day is beautiful as are the women. It didn't take long for them to strip down and start playing with each other. As most circumstances, it starts with kissing, nipple licks and then diving into their privates. It's a long slow sex romp that we're about to share. Enjoy!
